Why Barcelona?

Our terminal BEST in Barcelona is one of the most modern and efficient container terminal in the world and is Hutchison's strategic investment in the Western Mediterranean region

Mr. Guillermo Belcastro
GENERAL MANAGER
BEST Terminal Hutchison

Some companies have already chosen Barcelona as their logistics hub

Cosco has chosen Barcelona as one of their strategic ports in the Mediterranean and has substantially increased its traffic in the port in recent years. Iberian's Cosco HQ is established in Barcelona

Mr. Vicente De Angelis
DEPUTY MANAGING DIRECTOR
COSCO SHIPPING Lines (SPAIN), SA

Barcelona is an important strategic HUB for us. From here we can offer logistics connections with all major inland locations in Spain, Central Europe, Portugal and the Maghreb

Mr. Marc Porta
MANAGING DIRECTOR IBERIA
Kerry Logistics

The synergy between the port and airport places Barcelona as the best bridge between Asia and Europe

Air China

Largest industrial & consumption area in the Mediterranean & Southern Europe

Industrial specialisation, sectorial clusters and powerful partnership opportunities.

Favourable tax regime compared to other European countries.

Available skilled workforce at reduced labour costs.

Barcelona has **logistics operators specialised** in economic sectors such as:

AUTOMOBILES

E-COMMERCE

ELECTRONIC PRODUCTS

CHEMICAL PRODUCTS

INDUSTRIAL PRODUCTS & CONSUMER DURABLES

FASHION & FOOTWEAR

An integrated logistics hub with port, airport and logistics facilities

A unique and seamless logistics & business hub, including airport, port, logistics areas and a large urban area.

Direct container services with a short transit time from Asia to Europe

BEST/Hutchison and APM Terminals Barcelona, the most efficient container terminals in the Mediterranean. "Barcelona, 3rd productivity port in Europe (JOC 2014)"

Save 40-50% on your carbon footprint from the Suez Canal by serving central European markets from Barcelona instead of using Northern European distribution nodes.

Distribution capacity to Europe/Mediterranean/Africa

From Barcelona, a **logistics network** can reach **400 million consumers** and over 80.000 medium-sized companies in Europe and the Mediterranean/Africa.

Save between **10-15%** in distribution costs compared to serving these markets from northern Europe.

A bridge between Asia & Latin America.
